THAT NAVAL CONTRIBUTION

Admiral Jellicoe's suggestion that Canada should contribute \$30,000,000 a year and four cruisers to the British navy makes it absolutely imperative that this question of a naval contribution be settled definitely and without delay by the Parliament of Canada.

Canada either should or should not contribute towards the British navy.

If there is actually a moral burden on this country to contribute, every year's delay cheapens the dignity of the Dominion and corrodes her national honor.

If that moral burden does not exist, Canada can create a better feeling in Britain by stating her position definitely and clearly.

It should not be forgotten that this Dominion is already making a gigantic contribution towards the safety of the Empire by maintaining close friendship and understanding with the United States.

The greatest possible factor in the maintenance of world peace is good relations between the two great English-speaking nations.

Canada, bound to the Empire by racial and traditional ties, and

OLD CHUM The Tobacco of Quality

bound to the United States by ties of economic necessity and neighborly understanding, is the great preserver of these relations. This country is the link that holds the United States and the British Empire together in an unbroken alliance of mutual respect and common ideals.

How much is this function of Canada's worth to the Empire? Could it possibly be calculated in terms of battleships and money?

Until, by the magic of applied science, the sub-normal and criminal strains are bred out of the people of North America, hoodlums and habitual criminals in Canada should either be segregated in some central institution or sterilized.

This proposal, in part, has already been made to Ottawa by Colonel H.

W. Cooper, Warlord of British Columbia Penitentiary.

There are three well-known types of criminals:

1. The first offender or the victim of environment, who may be reformed to manhood in a properly administered penitentiary.

2. The professional criminal, who can only be controlled by fear of the lash and the scaffold.

3. The born criminal, whose mental state is induced by a rotten and corrupt heredity.

This latter class may be kept in subjection by fear of punishment. But all the leading in the world will not improve the delinquent strain. The problem is not only to control these people but to wipe their kind completely out of the world.

BUY A USEFUL XMAS GIFT THIS YEAR

Why not spend your money for something useful in the gift line—a useful gift is fully as expressive of the Xmas sentiment of giving on the part of the donor—and the attaining of a necessity by gift is likely to be appreciated to a greater extent by the recipient than would the attaining of a luxury.

FOR MOTHER—A New Gas Range or Heater, a New Coal or Wood Range or perhaps a Maytag Electric Washing Machine.

FOR FATHER OR SON—A Coleman Lamp or Lantern—A Shaving Outfit, or a good Pocket Knife.

FOR DAUGHTER—Stainless Steel Knives and Forks, Electric Curlers, Pen Knives, Manicure Sets.

LOCAL AND PERSONAL NEWS

Miss Marjorie Dean visited friends in Calgary today (Thursday).

Mr. and Mrs. D. J. Grier were week-end visitors at Calgary.

The Bazaar held Saturday under the auspices of Holy Cross Church was a decided success. Pledges were won by the following numbers—254, H. Lyle, Macleod, 1st prize, Radio, 125c, Otto Cameron, Pincher Creek, 2nd prize, Lunch Club, 251c, W. C. Miller, 3rd prize, Bed Spread, 165c, Mrs. J. R. McLean, Macleod, 4th prize, Blanket, 130c, J. R. Ralston, Coleman, 5th prize, Auto Radio, 92c, Mrs. L. Stedman, Macleod, 6th prize, 1 ton Coal.

The Young People's Society of St. Andrew's Church, held their weekly meeting on Monday evening, at the manse. About forty-five were present and an excellent programme was enjoyed. Mr. Albert Swinerton, the president, Miss Mary gave a beautiful talk on astronomy which was thoroughly enjoyed by all present. The talk was all too short. It is hoped that Miss Mary will again favor the Society. Musical selections were rendered and games of various kinds were entered into with great zest. Refreshments were served by the hostess and young people, and a most pleasant evening was brought to a close by singing "Auld Lang Syne." Next meeting will be held on Monday evening, Jan. 4th, at 8 o'clock.

Mrs. Field was a Calgary visitor last week-end.

Mrs. R. W. Reid was a Calgary visitor on Saturday of last week.

Rev. Father Ross was a Calgary visitor on Saturday of last week.

Week Lackington returned last week from Calgary where he had been visiting his brother Arthur, at Belmont Hospital.

The following is from Portland, Oregon) News—"Six feet seven inches tall, G. C. Raitt towers above everyone when he walks along Broadway and he looks like a giant when he stands in the lobby of the Hotel Oregon. Mr. Raitt is the tallest man in the province of Alberta and is justly entitled to organize a chapter of the tall Men's club. Mr. Raitt and C. B. Waypool are large men in Calgary. Alberta people like to refer to "Sunny Alberta."

RATHWELL NEWS

Mrs. Ernest McCrea is visiting with with in the Pass country with whom she will spend the holiday season.

Cattle and horses are at present in first-rate shape and have not received any attention in the matter of hand feeding since the stormy period commencing early in October.

Remember that Monday evening, December 21st, is the date set for the entertainment and dance to be given in the school house. Turn out and have a good time.

Mr. Jos. Horner contemplates spending the festive season this year with friends in Washington. Before he leaves, will be please tell us when we may expect Santa Claus to arrive here. The kids especially are anxious to know.

Percy Bruce, an old Rathwell boy, has been receiving treatment in a Lechlidge hospital, an old wound received many years ago in a shooting accident, having caused him considerable pain and worry for some time past. We are glad to hear that he has been given a great deal of relief by the surgeon taking his case.

The government of the Province of Alberta is making a determined effort to interest paper manufacturers in the matter of putting to use the waste paper in the manufacture of print and other papers. It is which is wasted and destroyed, and is being disposed of at such an alarming rate the visible supply of wood suitable for pulp manufacture will soon be exhausted, and it is highly necessary that a substitute be found and quickly. Should straw be found to fill the bill our farmers will have a ready sale for their surplus straw at good prices, probably from 48 to 80 per ton. And we want no more.

Has the grade given for wheat raised in the district been all that growers had hoped for? Nearly every sample of wheat has been given a 3 and 1, and I do not believe the grade given is fair to our farmers. We are not the only farmers complaining, however. For instance, a One Four farmer's grade was graded No. 2 tough. He accepted the initial payment under protest and sent a sample to pool headquarters for examination. He also sent to the government inspector for a sample of No. 1 wheat for comparison, and received the sample it was repacked in a fresh container and returned to the inspector for grading—the report came back No. 2 tough on this sample of No. 1 wheat. A similar experiment, I understand, was made by a Macleod district farmer, the result being the same. There is something funny in all this. The difference in price between No. 1

and No. 2, omitting the "tough" stuff, was eight cents a bushel for the week ending December 10th. Is this isn't "tough" I'd like to know what it is.

ST. ANDREWS' ELECTS ELDERS

The services in St. Andrew's Presbyterian church, on Sunday, Dec. 13, were of an unusually interesting character. The congregation had been asked to select, by ballot, three new elders. The choice fell upon Messrs. John Macleod, H. H. McLean and John Ringland. The two former having already served in their former congregations, only Mr. Ringland required ordination.

The Rev. Mr. Whitman, the pastor, spoke upon the office of the Elder, and his time honored place in the early church, also in the Church of Scotland, and the important place it now occupies in the Presbyterian Church in Canada.

After the address the ordination by "laying on of hands" was very impressive, the elders engaging in the service. The ordination prayer having been offered by the Rev. Mr. Whitman, the choir sang softly and sweetly the hymn:

The Lord bless and keep thee,
The Lord make His face shine upon thee
And be gracious unto thee,
The Lord lift up His countenance upon thee and give thee peace.

The questions of the induction service having been put to the three elders and answered satisfactorily, the Rev. Mr. Whitman declared them constituted elders of St. Andrew's Session, Macleod.

The elders elected are well known as gentlemen of high repute and will not doubt prove a valuable acquisition to the eldership of the congregation. The service was closed by singing the hymn, "Blessed be the Tie that Binds," and the presentation of the benediction, the newly-elected elders were escorted to the door and welcomed by the congregation.

A large congregation was present, and the service left a very deep impression upon the people.
